# Course registration is now as easy as 1, 2, 3!

## Step 1 - Pick core courses

Pick a course by clicking the box right next to it. This adds the course to your working list.

<input type="checkbox"/> PSCI 2102	<input checked="" type="checkbox"/> PSCI 2102
---------------------------------------	--

## Step 2 - Pick your electives, optionally

Use the search filters to narrow down the list of courses. Just click on an course's checkbox to add it to the list.

P  
B  
C

## Step 3 - Make your timetable

Click on any course in your working list to see when at what time it is offered, and who is teaching it. Then, click on the time slot that you want to add the course to your timetable.

...That's it!

### What's the Working List?

Think of it as a list of courses that you may want to take. You can add as many courses as you like in the list.

You will pick courses from that list when you build your timetable.
